

You will find it difficult to get a quality hand made puppet under £100, and many are much more expensive than that.

Our price is £75.00 plus £7.00 postage, packing and insurance

As our puppets are good quality and handmade to order we have cut the price as low as possible in view of the number of hours it takes to make each one. Cheaper ones we have seen are not such good quality, and so are more difficult to use to develop a believable character. Delivery time is normally about 6 weeks (sometimes a bit less, but we cannot promise!), unless you happen to catch us at an exceptionally busy period. If you are desperate for a puppet for a special event ask us if we can let you jump the queue!

Just let us know which one you would like, and he/she will be hand made to your order. The ordering information we need is as follows:

Puppet name:

Hair colour:

Skin colour:

Full puppet or half puppet:

Your name and delivery address:

We will need your cheque, payable to **'Mary Kersys'** when you place an order. Alternatively you can pay by credit card by phoning 01252 717166. However for credit card orders we have to add VAT, which brings the inclusive price to £90.48.

We also supply copies of **"Honest to God"** - 6 scripts for use in all-age services, notes on the use of our puppets and instructions for building a simple portable puppet theatre. This sells for £5.74 incl delivery.

Our second set of scripts, **"One to One"**, is for use with a single puppet and is also at £5.74. In addition to the scripts this includes lots of hints on manipulating the puppet to get the full range of expressions, etc.

Whether or not you are going to have one of our puppets, you will certainly benefit from the practical advice, hints and tips in our manual about using our sort of puppets in churches, schools, etc. - ordering details are at <http://www.cleford-puppets.co.uk> This is particularly relevant if you are wondering about using puppets for the first time, or are considering starting a puppet ministry. Again, our Puppet manual is £5.74 incl delivery.
